

21st century India, field trials is the only ensure that biosafety and norms as far as possible are concerned are not violated with impunity by companies.

one must remember Supreme Court-empowered committees and sub-committees had been set up for the country. So, an intention to implement his recommendations should not allow GM crops," he said.

he had said that crops would most likely have highly adverse effects on sustainable agricultural livelihoods and environment. He said that the panel was completely unsuitable in context.

of FSII said that although, the Centre has not ruled out the possibility of conducting field trials of GM crops within the country for agriculture and allied activities.

he said that the field trials should be conducted. He said that the panel should be asked for a report on field testing of GM crops in two years to move forward; he said that the panel should end to the

much lower than its level before the lockdowns. This is a severe blow to households.

It is not surprising, therefore, that consumer sentiment continues to be seriously bruised.

cent growth recorded in May. But, the trend seen during the four weeks of June does not reinforce such a belief. Much of the growth of the ICS in June is

the well-off households. The overall ICS in May was 35.7 per cent lower than the pandemic level of 2020, the ICS of households
